

## Chapter 2: Frank gets Chased After

Mrs. Paddy pushed Frank off her tummy and jumped to her feet. Grabbing one of her shoes, she ran after Frank who was running out of the living room.

Seco ran after Mrs. Paddy, barking as loudly as he could, so that the others would hear the voice and come out of their hiding places. Mrs. Paddy was so angry that her face was as red as a tomato. Frank ran up the stairs and she followed him.

Mrs. Paddy ran up the stairs after Frank and Seco followed her, along with the rest of the siblings who were with him. They saw Frank run into a room, meowing and hissing loudly. Then they heard a loud crash.

When they came into the room, they found Mrs. Paddy standing at the window with the shoe in her hand. She was looking out the window and huffing and puffing in anger.

*"Frank jumped outside!"* Rain shouted loudly.

*"Oh no, what are we going to do now?"* Shakira asked. She was so worried that her tail and paws were shaking.

Then suddenly Mrs. Paddy turned around. Her face looked so scary that the gang ran out of the room, all following Rain into the kitchen. They could hear Mrs. Paddy thumping down the stairs and back into the living room.

Slowly the gang came out and Rain said, *"There, she is back to her couch, now we can talk."*

*"Where do you think Frank went, do you think he is in trouble?"* Shakira was still worried and now Olive looked like she was about to cry.

*"Poor Frank,"* Olive said, *"That evil woman chased him out of the house and now he's gone..."*

*"Don't worry, silly, he will be back in a couple of hours and we will play hide and seek again. Cheer up!"* Rain said to Olive and the others.
